\* NJSPLS IS LOOKING FOR A REPRESENTATIVE FROM  
SAWJ TO BE ON THE SCHOLARSHIP COMMITTEE.

Date: May 13, 2010

To: All Board of Directors

From: Nicholas J. Wunner

Re: Online Publication

At our May 11, 2010 Board of Directors meeting a committee was set up to for an online publication 'Coordinate Online'. The thought is, to include the articles written by land surveyors throughout the state. These articles can be one page or longer if need be. It can be on any surveying subjects, for example interesting surveys that someone worked on, perhaps an interesting court case, administrative code issues, work with the Boy Scouts for their surveying merit badge, any type of issue you can think of. Please keep in mind that these articles when written can also provide CEU's for continuing education.

I am requesting that you talk about this issue at your chapter meetings and ask them to think about writing for these articles. To make this endeavor successful, we need articles written by our fellow members and the more we receive the better it will be. Currently the articles can be sent to me, Louis Marchuk, (who is also the co-chairperson) or Headquarters.
